

## Electronic frost-protection thermostat with terminals, type ELTC/05 Frostcontrol

Temperature controller for frost protection, to be used as an air or surface thermostat.

Fixed set point of controller: 3

Material of housing: polycarbonate

Dimensions: 130x130x75 mm

Protection class: IP 65

Cable entries: 1xPg 7, 2xPg 16

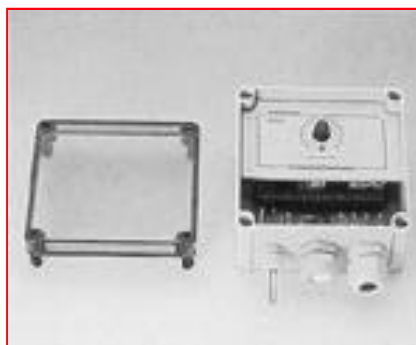

Supply voltage: 230 V  $\pm$ 10%,  
50/60 Hz

Switching capacity: 16 A/230 V,  
1 or 2 poles

Colour of LED: yellow (ON)

Ambient temperature: between  $-30^{\circ}\text{C}$   
and  $+80^{\circ}\text{C}$

Temperature sensor PT 100 included  
(5 m cable)

## Electronic frost-protection thermostat with terminals, type ELTC/01

Temperature controller for frost protection, to be used as an air or surface thermostat.

Adjustment range:  $-5$  to  $+15$

Material of housing: polycarbonate

Dimensions: 130x130x75 mm

Protection class: IP 65

Cable entries: 1xPg 7, 2xPg 16

Supply voltage: 230 V  $\pm$ 10%,  
50/60 Hz

Switching capacity: 16 A/230 V,  
1 or 2 poles

Colour of LED: yellow (ON)

Ambient temperature: between  $-30^{\circ}\text{C}$   
and  $+80^{\circ}\text{C}$

Temperature sensor PT 100 included  
(5 m cable)

## Bracket

for the installation of thermostats outside of the thermal insulation, with fastener  
(please specify pipe diameter)

Type ELMSTC-1 for ELTC/1 and  
Frostcontrol ELTC/05

## The way to an easy, safe and fast installation:

DomoClick heating tape connection and termination technique

Easy:

No tools required, a sharp knife will do!

Safe:

Installation in fool-proof steps!

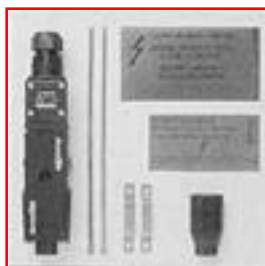

The double contact-knives on both sides of the heating tape guarantee a safe connection.

Fast:

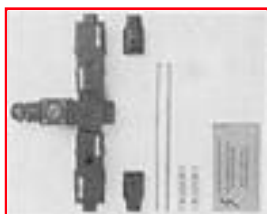

A reliable connection within a few minutes!

Description:

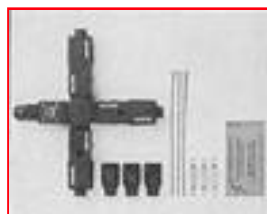

- Made of polyamid
- Conductors of nickel-plated copper
- Integrated junction box with Pg 16 gland in DHB 100, DHB 102 and DHB 104
- Plastic fasteners for pipe-mounting
- Brackets for wall-mounting
- VDE and SEV approved

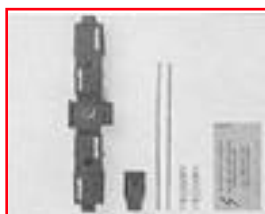

DHB 100  
DomoClick connection  
with power supply

DHB 102  
DomoClick connection  
with power supply

DHB 104  
DomoClick T-junction  
with power supply

DHB 101  
DomoClick inline splice kit

DHB 103
